

November: Give Shelter. Give Thanks.

Because of you, Coronado's rescue pets get second chances. As we head into year-end, here are five fast ways to help—starting today.

1) Bring Them Home for the Holidays

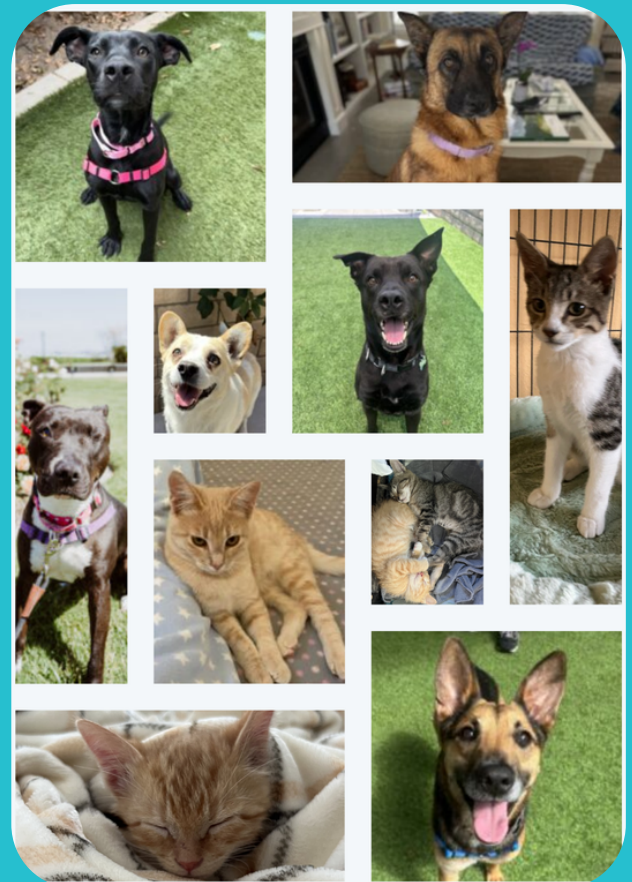

Adopt and give a pet a cozy couch before the holidays.

- Meet adoptable dogs & cats this week
- Foster-to-adopt options available
- [See Adoptable Pets \(pawsofcoronado.org/adopt\)](https://pawsofcoronado.org/adopt)

2) Donate Your Car for Care!

Turn an unused car or truck into vet exams, vaccines, and enrichment—quickly.

- Free pickup
- Tax-deductible
- We handle the paperwork
- pawsofcoronado.org/cars
- Or email info@pawsofcoronado.org with the subject "Car Donation."

3) Pawliday Towel—Limited Edition

Our seasonal **Pawliday Towel** is perfect for gifts and bringing to holiday parties with your favorite cookies! Proceeds fund animal care. Check them out here: crownncitypetsitter.org

4) Buy a Shelter Gift (Amazon Wish List)

Skip the guesswork and ship supplies straight to the animals.

Popular needs this month: wet food for senior cats, kitten formula, puzzle feeders, training treats, durable toys, laundry/cleaning essentials.

5) Your Adoption Fees—What They Fund

Wondering what your adoption fee supports? Here's a breakdown:

- Food & daily care: Quality meals, clean bedding, enrichment toys
- Safe housing: Sanitation, utilities, and upkeep
- Medical attention: Exams, diagnostics, medications, spay/neuter
- Vaccinations: Core vaccines to prevent illness
- Microchipping: Lifetime ID so lost pets can be reunited
- Behavior support: Training plans and post-adoption coaching
- Marketing & outreach: Photos, bios, events, and family matchmaking

Adoption fees don't "buy" a pet—they invest in their care and help us say "yes" to the next animal in need.

SPECIAL REQUEST

We are seeking three \$500 donations for outdoor furniture for the yards so our behavior volunteers can help train, assist, and care for the dogs. Three sets of furniture, one for each yard and a chance to have your name recognition or anonymous, your choice!

Year-End Giving: Power the Work

If PAWS is in your holiday plans, we are so grateful for you! If not—consider making November the month you give. Monthly gifts help us plan medical care, behavior support, and adoptions all year.

Want to make a direct impact? Sponsor one of our animals currently in our care.

- **Sniff Spots Outing – \$250**

Treat 4 dogs to a solo, off-leash park visit for fun and freedom!

- **Behavior Training (3 sessions) – \$500**

Helps reduce adoption returns and supports a smooth transition for pets and their new families

- **Full Cat Sponsorship – \$1,200**

Covers basic costs from intake to adoption: vaccines, spay/neuter, microchip, flea treatments, dental hygiene

- **Full Dog Sponsorship – \$1,500**

Covers basic costs from intake to adoption: vaccines, spay/neuter, microchip, flea treatments, dental hygiene

Fund the Journey: \$25,000

We're seeking \$25,000 annually to fund the full journey—intake, daily care, medical, behavior, foster, marketing, and post-adoption support—for a cohort of PAWS animals so they're truly ready for forever homes.

What \$25,000 accomplishes

- Funds the complete path to adoption for our most extreme animals (mix of easy and higher-needs cases).
- Keeps our “Once a PAWS animal, always a PAWS animal” promise with post-adoption coaching and safety-net “bounce-backs.”

Critical Impact

- Medical & preventives (vaccines, exams, meds, microchips, routine procedures)
- Daily care & nutrition (food, litter, cleaning, supplies). IDs/tech/misc (tags, data, printing)
- Behavior & training (readiness plans, staff time, consults, adopter coaching)
- Enrichment (toys, puzzles, scent/music, stress reduction)
- Marketing & adoption events (photos, bios, outreach, meet-and-greets)

Why this level matters

- It creates predictable capacity: staff can plan training blocks, fosters, and events around a funded cohort.
- It fills the unglamorous but critical gaps (behavior time, quality photos, foster kits) that directly shorten length of stay.

CELEBRATE!

Thanks to the help of our supporters, from our donors, volunteers, and even our media partners, our longest residing rescue, Taylor has been adopted! You can watch her in the good news here:
